Ian Beilfuss | Madison, WI | 11/17/25

Located at the heart of Madison, the Wisconsin State Capitol is one of the most iconic capitol buildings in the United States. Standing atop the Capitol is a 15'5" gilded bronze statue *Wisconsin*, created by the same sculpture that made the Abraham Lincoln statue in the Lincoln Memorial. In front of the Capitol, *Forward* stands proudly, symbolizing the State motto of "Forward" and commemorating the women's suffrage movement.
